TIME SHEET INFORMATION - * Please Read*****

Our time sheets enable our temporaries to record all hours worked in a pay period on one time sheet. You will only use one time sheet for the entire week. Be sure to PRINT YOUR NAME AT THE TOP OF BOTH TIME SHEETS. Take a time sheet with you to each office where you are schedule to work. Be sure to note the doctor's office under the "Office" column and have each day signed to verify the hours worked.

**** Remember, you must sign your time sheet and fax it, email it, or text it (office: 512-243-5736 or after-hours line: 512-745-3152) to our office at the END of each week in order to receive direct deposit the following week, on Friday.**

We cannot pay you if we do not have your timesheet.

Your paystubs will be made available for download through an online service called ViewMyPaycheck - <https://paychecks.intuit.com>

You will need to visit the website above and set up an account; however, you will not be able to access any information until you have been paid the first time.

You will receive a notification email the first week that you get paid with your paystub attached. You will then log back into your ViewMyPaycheck account and enter your net pay (take home pay) and your Social Security Number to access this and all future paystubs on the ViewMyPaycheck website.
